GEL POLISH - GELLACK

Colour, perfected.

Premium UV nail polish for your own collection

Discover versatile shades, from timeless neutrals and expressive reds to shimmering effects. Our flexible gel polishes deliver even coverage, precise application and a lasting glossy finish, with easy soak-off removal.

For a beautiful finish, apply and cure your base, then apply 1-2 thin coats of colour, curing each coat. Finish with top gel and cure for shine and protection.

HIGHLY FLEXIBLE / SOAK-OFF / LED & UV

Shade notes: Semi-sheer / Light-sensitive shades may darken or fade.

ALL PRODUCTS TPO-FREE / VEGAN / NOT TESTED ON ANIMALS

Base & Top

YOUR BRAND. YOUR COLLECTION.

Create your own Gel Polish Collection

A colour collection that expresses your identity. Choose your shades, define your packaging and create a distinctive look for your brand.

01 **YOUR COLOURS**
Curate the shades that tell your brand story.

02 **YOUR PACKAGING**
Explore individual bottles, caps and finishes - or supply your own bottles for filling.

03 **YOUR IDENTITY**
Complete your collection with personalised labels and decoration.

LET'S CREATE YOUR COLLECTION - AND YOUR SUCCESS.

From your first idea to launch, our full service helps bring your brand to life:

- Colour selection: create a balanced collection that fits your brand and customers.
- Bottles & filling: choose your packaging or supply your own bottles for filling.
- Label design: personalised labels and decoration for a distinctive brand presence.
- Logo & branding: develop a recognisable visual identity for your collection.
- Product photography: professional images for your shop, catalogue and marketing.
- Websites & online shops: present your products and build your digital sales channel.
